

## You can Now Follow AC OXgangs on Twitter!

Twitter is a networking service which can be used by individuals to simply keep in touch or, as in our case, to quickly release all the latest Club news, results, links to match reports and much more.

Here's a quick guide ...

- ✓ Click on the 'Follow us' icon which appears throughout our website and you'll be taken straight to our *Twitter* page.

ACO's Twitter Homepage

- ✓ Alternatively, you can visit our *Twitter* page directly at <http://twitter.com/ACOxgangs> Why not add it to your web browser 'Favourites' or 'Bookmarks' for easy access? Our *Twitter* page is 'public' therefore no registration is needed in order to read our messages.
- ✓ All our messages (known as 'tweets') are listed in the order they were posted, with the latest appearing at the top of the list. Each message carries a date & time stamp so you can easily identify whether they are current or not.
- ✓ All messages on *Twitter* are limited to a small number of characters (140) so they're always short and to the point! Website links (url's) are often lengthy and can take up quite a few

characters. Fortunately, the clever folks at *Twitter* can 'reduce' them so you will see a much shorter url instead. For example:

[http://www.acoxgangs.com/team\\_pages/1997\\_squads/1997/2010\\_11/aco\\_1997\\_1011\\_fixtures\\_results.html](http://www.acoxgangs.com/team_pages/1997_squads/1997/2010_11/aco_1997_1011_fixtures_results.html)  
can be reduced to  
<http://bit.ly/9Lgfb9>

Don't worry, clicking the shorter link takes you to the same place on our website! It just saves a few of those precious characters.

- ✓ You don't have to register with *Twitter* to read our tweets, they are available to everyone. However, if you are already a member of the *Twitter* community (along with over 100 million others!) you can have ACO's tweets appear on your own *Twitter* page as a soon as they are posted.
